Subject: Please respond by cob Wednesday, 7/14/21: Request for Regional Water Division Directors Input on the draft OW Equity Plan

Hello Water Division Directors,

Please use the attached template to provide your input on the draft OW Equity Plan. There will be an opportunity after that for you, the WDDs, to review the entire draft plan, but right now OW is just looking for specific actions you might like to suggest for inclusion. As an FYI, the OW program offices are doing the same right now and have a due date of July 16th.

Please send your completed input to me by cob Wednesday, **July 14th**. I will consolidate and send to OW.

Please let me know if you have any questions.

Thanks,
Miriam
